CROSS[®] COMPRESSION

This tech utilizes general compression science and our breathable, high-tenacity technical fabric in a design that mimics the TAPING TECHNIQUES of ATHLETIC TRAINERS. These techniques address common injuries to the hamstring, glute and quad muscle groups.

Cross Compression™ employs STABILIZING compression and a unique banding pattern that mimics the hip spica wrap used to treat GROIN PULLS and HIP ABDUCTOR and FLEXOR STRAINS. This helps prevent and aids in the recovery of large muscle injuries.

TARGETED[®] COMPRESSION

Compression levels designed to apply higher pressure at the ankle, while gradually tapering off up the calf. This graduated tension allows better blood flow for faster reoxygenation and reduction of lactic acid.

SALES CONDITIONS

PRICES
Our price lists are not special offers and are net, without any discounts. They can be changed without prior notice.

SPECIAL OFFERS
Our offers are non-binding and subject to availability. Special offers and sales by agents, representatives, or any other intermediary are only valid if agreed upon in writing by our company. The prices of our goods will always reflect the rates valid on the day of delivery, regardless of the order date. Any change in economic, social, or fiscal conditions may result in a price review.

PAYMENT
All invoices are payable within 30 days of the invoice date, unless otherwise agreed in writing and by mutual consent, confirmed by the signature of both parties. All payments must be made to the bank account stated on the invoice and in the manner specified. Claims will not postpone payment, and disputes will not suspend the payment obligation. Any unpaid invoice will automatically accrue interest of 1% per month from the due date, without the need for formal notice. This surcharge will be calculated from the due date until full payment is made, with part of a month counting as a whole month. The customer will be responsible for all costs related to recovery of the payment, both legal and extra-legal, the latter being set at 10% of the unpaid amount, with a minimum of €250.00, without prejudice to UNITED SPORTS BRANDS EUROPE's right to claim actual costs. Any claims concerning invoicing must be reported to UNITED SPORTS BRANDS EUROPE within fourteen (14) calendar days of the invoice date, by registered letter. In the absence of communication within this period, the customer will be deemed to have accepted the invoice.

TERMS OF THE CUSTOMER
Delivery of the goods constitutes unconditional acceptance of these general sales terms and conditions. Any conditions accompanying the customer's order that conflict with these terms or introduce new terms will not be accepted, and

there is no obligation for us to inform the customer of this. The same applies to any jurisdiction provisions.

RESERVATION OF TITLE
The goods will remain the property of UNITED SPORTS BRANDS EUROPE until the customer has paid the full purchase price plus any interest on late payment and any additional charges (including transport costs). However, the risk of the goods passes to the customer upon delivery.

DISPATCH - DELIVERIES
Unless specific instructions are provided by the customer, we will select the method of dispatch for each delivery. Goods will be transported at the cost and risk of the recipient, even when shipped carriage paid, regardless of the means of transport or delivery method. Upon receipt, the customer must check the packaging and communicate any complaints to the transport company within the legally stipulated time. Proof of any deficiency or damage must be provided. We will do our best to meet the delivery date, but delays will not give rise to cancellation, interest claims, or compensation.

COMPLAINTS - RETURN OF GOODS
If the goods received do not match the invoice, the customer must notify us immediately, and no later than 48 hours after receiving the delivery list. This list must be included with the complaint. Any complaint about product quality must include:
a) A sample of the article, and
b) If possible, the product in its original packaging, bearing all identification references.

Goods may not be returned without prior agreement and must be shipped carriage paid. Returned goods must be in perfect condition, in their original packaging, and retain their labels, stamps, or marks for retail sale. Any verbal agreement conflicting with these general terms will only be valid if confirmed in writing.

United Sports Brands Europe reserves the right to amend product designs and specifications without prior notice. All details are subject to change. Errors and misprints excepted.
